

Graphics Card Biostar GeForce RTX 2060 SUPER NVIDIA 8 GB GDDR6 Gaming

Modelis: VN2066RF82

Gamintojas: BIOSTAR

EAN: 4712960686717

Prekės kodas: 555868

278.99€

Biostar GeForce RTX 2060 SUPER 8 GB GDDR6 Graphics Card

Experience powerful, next-generation gaming performance with the Biostar GeForce RTX 2060 SUPER. Built on the NVIDIA Turing architecture, this graphics card delivers incredible realism and speed, making it an excellent choice for demanding AAA titles and creative professionals.

Equipped with 8 GB of high-speed GDDR6 memory on a 256-bit bus, the RTX 2060 SUPER provides the bandwidth necessary for high-resolution textures and intensive multitasking. With a robust processor boost clock speed of up to 1750 MHz and 2176 CUDA cores, it ensures fast, fluid frame

rates even when pushing details to the maximum 7680 x 4320 resolution.

Key Gaming and Performance Features:

- **Ultimate Visuals:** Full support for DirectX 12 Ultimate allows access to advanced rendering technologies, enhancing graphical fidelity and realism, alongside support for OpenGL 4.6.
- **Optimized Cooling:** The efficient active cooling system features two large fans (2 fan(s)) designed to maintain optimal operating temperatures during extended gaming sessions.
- **NVIDIA Ecosystem:** Benefit from NVIDIA technologies like PhysX for advanced physics simulations, CUDA for accelerated computing tasks, and NVIDIA Ansel for capturing professional-grade in-game photos.
- **G-SYNC Ready:** Enjoy tear-free, smooth gaming thanks to built-in NVIDIA G-SYNC compatibility, synchronizing the refresh rate of your display with the GPU.
- **Connectivity:** Features modern outputs including DisplayPort 1.4a, HDMI (quantity 1), and DVI-D (quantity 1), ensuring compatibility with high-resolution monitors. HDCP version 2.2 is supported for protected content.

Technical Specifications Overview:

This PCI Express 3.0 interface card is designed for reliability and seamless integration into modern systems running Windows 10 or supported Linux operating systems. The core clock frequency is 1470 MHz, boosting up to 1750 MHz.

- Graphics Processor: GeForce RTX 2060 SUPER
- Discrete VRAM: 8 GB GDDR6
- CUDA Cores: 2176
- Maximum Digital Resolution: 7680 x 4320 pixels (8K)
- Interface Type: PCI Express 3.0

BIOSTAR is a well-respected brand in the computer hardware industry, known for producing reliable components that offer excellent performance and value. Their commitment to quality ensures that this graphics card provides a stable and powerful foundation for your gaming PC.

Order today from ++SHOP++ as we offer the best deals and fast shipping on cutting-edge computer components.
