Wet and dry vacuum cleaner WD 2 Plus S V-15/4/18/C

The WD 2 Plus S V-15/4/18/C is the perfect entry-level wet and dry vacuum cleaner with its 15 l stainless steel container, single-piece cartridge filter, blower function, 4 m long cable and 1.8 m suction hose.

The WD 2 Plus S V-15/4/18/C impresses with its compact design, excellent suction power and energy efficiency – all at a rated input power of just 1,000 watts. This ensures the device delivers top cleaning results whether you are tackling dry, wet, fine or coarse dirt. The wet and dry vacuum cleaner comes with a robust 15-litre stainless steel container, a 4 m cable and a 1.8 m suction hose with a straight handle, a clips floor nozzle and a fleece filter bag. The one-piece cartridge filter makes it possible to vacuum both dry and wet dirt and can be attached to the filter basket simply by turning it clockwise. The vacuum cleaner also has a practical blower function that can be used to clean in places where vacuuming is difficult, and more besides. The storage surface on top of the device is used for safely storing tools and small parts, such as screws and nails. Tubes and floor nozzles can also be packed away quickly and conveniently in the parking position provided on the bumper. In addition, the device boasts compact design, easy accessory storage, the Pull & Push locking system and an ergonomically shaped carrying handle, which makes it comfortable to carry.

Cartridge filter

For wet and dry vacuuming without additional filter replacement. Simple installation and removal of filter by turning without additional locking part.

Cartridge filter

For wet and dry vacuuming without additional filter replacement. Simple installation and removal of filter by turning without additional locking part.

Practical blower function

Where vacuuming is not possible, the practical blower function can be used. Effortless dirt removal, e.g. from a gravel bed.
