Aprašymas

Let the Canvio Flex become the long-term companion of your digital lifestyle. Your gadgets come and go, but you need your valuable data to last a lifetime. The Canvio Flex works interchangeably with the major operating environments. Whether smartphone, tablet, Mac or Windows PC*, you simply connect your device with the USB cable to seamlessly access and share data between different devices and make copies of your precious data. The Canvio Flex will become your cross-device storage solution for all your devices now and in the future.

One Drive. Many Devices.
You may have collected a lot of devices and want to explore more in the future. The last thing you need is a hard drive that can't keep up with your progress. The Canvio Flex offers storage in its most compatible form, enabling you to seamlessly store and access your data on smartphones, tablet devices, Macs and Windows PCs* interchangeably with a simple one-stop solution.

Future-Proof Storage
Stay ahead of the curve with the Canvio Flex, connecting directly to any compatible USB equipped device. No USB adapter needed -thanks to the included USB-A and USB-C® cables, allowing you to easily connect to both old and new devices. It's all about maximum flexibility.

Smartphone Backup Made Simple
Smartphones play a central role in our digital lives. They serve as our constant companions, aiding communication, entertainment, and capturing special moments through photos and videos. The Canvio Flex offers easy data backup directly from your phone, wherever you are. No PC is required—simply connect the USB cable and drag and drop your important files and favorite memories to keep them secure.

Connect and Go
Connection where it counts. The Canvio Flex is preformatted for smartphones, Macs, Windows PCs, as well as iPad Pro and other compatible tablet devices with USB-C® port, enabling seamless file access and sharing right out of the box. Simply unpack and connect to any of your compatible USB devices.

Simple Elegance
Flexible storage meets flexible style with an elegant, warm silver finish and lightweight design that complements your smartphone, Mac, Windows

PC and other compatible tablet devices.

- Elegant warm silver finish
- Compatible with smartphones / tablets / Macs / Windows PCs
- Includes USB-C® and USB-A cable
