Designed for the modern professional, the Acer TravelMate TMP414 combines robust performance with unparalleled mobility and commitment to sustainability. Featuring a sleek slate blue chassis and certified by TCO for responsible design, this 14-inch laptop is built for demanding work environments, providing the power and reliability required for all-day productivity.

Uncompromised Mobile Productivity

Stay connected wherever your business takes you thanks to integrated 4G LTE connectivity, ensuring secure and fast internet access without relying solely on Wi-Fi. The stunning 14-inch WUXGA display offers a resolution of 1920 x 1200 pixels, providing a productivity-boosting 16:10 aspect ratio that gives you more vertical screen space for documents and spreadsheets.

Key Technical Specifications:

- **Processor:** Equipped with the efficient Intel Core 5 120U processor, offering reliable speed and optimized battery life for mobile work.
- **Memory and Storage:** Blazing fast multitasking capability powered by 16 GB of modern DDR5 RAM and quick system boot times provided by a 256 GB Solid-State Drive (SSD).
- **Graphics:** Integrated Intel Iris Xe Graphics ensure sharp visuals and smooth handling of presentations and video conferencing.
- **Operating System:** Windows 11 Pro provides advanced security features and management tools essential for enterprise environments.
- **Keyboard:** Features an English layout, complete with backlighting for comfortable use in low-light conditions.

Built for Business Longevity

The TravelMate TMP414 is backed by a substantial 36-month warranty, underlining Acer's commitment to reliability. Furthermore, this model is TCO Certified, meaning it meets stringent criteria for environmental and social responsibility throughout its lifecycle, making it an excellent choice for organizations prioritizing sustainability.

Acer is a world-renowned technology company known for manufacturing innovative computing solutions, ranging from high-performance gaming gear to reliable, sustainable business laptops like the TravelMate series.
