## Pagrindinės savybės

- ✓ Tabletop router
- ✓ Dual-band (2.4 GHz / 5 GHz) Wi-Fi 6 (802.11ax) 6000 Mbit/s
- ✓ Gigabit Ethernet
- ✓ Ethernet WAN
- ✓ Ethernet LAN (RJ-45) ports: 5
- ✓ USB port
- ✓ Quality of Service (QoS) support

## Techninė specifikacija

### Specifications

Sandėlio grupė Routers [+127][-292]

### WAN connection

Ethernet WAN Yes

WAN connection type RJ-45

### Wireless LAN features

|                                                 |                                                                                      |
|-------------------------------------------------|--------------------------------------------------------------------------------------|
| Wi-Fi band                                      | Dual-band (2.4 GHz / 5 GHz)                                                          |
| Top Wi-Fi standard                              | Wi-Fi 6 (802.11ax)                                                                   |
| WLAN data transfer rate (max)                   | 6000 Mbit/s                                                                          |
| Wi-Fi standards                                 | 802.11a, 802.11b, 802.11g, Wi-Fi 4 (802.11n), Wi-Fi 5 (802.11ac), Wi-Fi 6 (802.11ax) |
| Network                                         |                                                                                      |
| Ethernet LAN                                    | Yes                                                                                  |
| Ethernet LAN interface type                     | Gigabit Ethernet                                                                     |
| Ports & interfaces                              |                                                                                      |
| Ethernet LAN (RJ-45) ports                      | 5                                                                                    |
| USB port                                        | Yes                                                                                  |
| USB 3.2 Gen 1 (3.1 Gen 1) Type-A ports quantity | 1                                                                                    |
| Management features                             |                                                                                      |
| Quality of Service (QoS) support                | Yes                                                                                  |
