- ✓ Rožinė, Violetinė, Balta
- ✓ 1 vnt

Aprašymas

The MSI FORGE GK600 TKL WIRELESS VIOLET is a versatile tenkeyless keyboard with 2.4GHz wireless, Bluetooth, and wired modes. It features hot-swappable linear mechanical switches, durable PBT keycaps, sound-dampening gaskets, and a 1.06-inch display. With RGB lighting and a 4000mAh battery, it's ideal for gamers and creators.

ESSENTIAL KEYS, SENSATIONAL TYPING

This keyboard features a tenkeyless design that saves desk space and boosts portability without sacrificing performance. Its linear mechanical switches offer smooth, responsive keystrokes, perfect for fast-paced gaming or precise typing. Compact yet powerful, it's designed for those who value efficiency and style.

TAILOR YOUR SWITCH ANYTIME

Explore the versatility of this keyboard, which enables you to effortlessly hot-swap default mechanical switches with third-party switches (5-pin) without any soldering. This empowers you to easily customize your typing experience, offering flexibility and long-term durability for your keyboard setup.

RESILIENT AESTHETICS

Equipped with dye-sublimated PBT keycaps, known for their exceptional durability and premium feel. These keycaps resist wear and fading, ensuring legends stay sharp and vibrant even after prolonged use. The textured surface provides a comfortable, reliable typing experience that lasts.

INTUITIVE CONTROL & DISPLAY

A 1.06-inch display shows essential information like battery status, RGB backlighting profiles, and brightness levels, keeping you informed at a glance.

VERSATILE CONNECTIVITY

Offering flexible connectivity with 2.4GHz wireless via the included USB dongle, Bluetooth, and wired mode through a USB Type-C connection, ensures seamless performance across all your devices.

ENDURANCE

A powerful 4000mAh rechargeable battery delivers up to 20 days of use with backlighting turned off. This extended battery life reduces the need for frequent recharges, providing greater convenience for long gaming or work sessions. When it's time to recharge, the battery fully powers up in just 6 hours via USB Gen 3 while the user can continue gaming.

INSTANT INTERACTION

Take control with convenient hotkeys that let you quickly adjust lighting effects, manage media controls, and access widgets, enhancing your overall interaction with smooth functionality and rapid adjustments.

ROLLOVER PRECISION

Experience seamless precision with N-key rollover, ensuring every keystroke is accurately registered for smooth and responsive performance in any scenario.

PREFERRED ANGLES

The keyboard features two adjustable feet offering two tilt angles, allowing for a more ergonomic wrist position during extended use.

CREATE YOUR VIBE

With 20 predefined lighting effects and 5 adjustable levels of speed and brightness, the RGB backlighting offers a personalized aesthetic that enhances both function and style. Easily creating a dynamic atmosphere for gaming or setting a more subdued tone for work, the customizable options provide flexibility to match any preference or environment.

Techninė specifikacija
