The core strength of the Xiaomi G24i lies in its high-speed performance. The incredible 200Hz refresh rate ensures that every frame is rendered smoothly, virtually eliminating motion blur and screen tearing. Whether you are navigating fast-paced FPS environments or enjoying beautiful open-world games, the responsiveness of this monitor keeps you ahead of the competition.

## Vibrant Full HD IPS Display

- **23.8-inch Optimal Size:** Provides the ideal visual footprint for desktop gaming setups, offering immersive views without straining peripheral vision.
- **Full HD Resolution (1920x1080):** The tried-and-true resolution minimizes GPU load while delivering sharp, detailed images perfect for high frame rate gaming.
- **IPS Panel Technology:** Enjoy superior color accuracy and extremely wide viewing angles (compared to standard TN panels). The IPS panel ensures your games look vibrant and lifelike from almost any perspective.
- **High Refresh Rate (200Hz):** Delivers exceptional fluidity, crucial for competitive esports titles where milliseconds matter.

**XIAOMI** is globally recognized for merging cutting-edge technology with accessibility, creating reliable and high-performing electronics that enrich daily life, from smartphones to premium monitors.
