The Lenovo ThinkPad T14 Gen 6 is a Copilot+ PC designed to amplify your productivity. It integrates advanced AI to improve task management through real-time suggestions and automation of routine processes. Copilot learns your preferences and supports everything from creating documents to drafting communications, keeping you ahead in fast-paced work environments. Launch Copilot with a single key and experience the future of efficient computing.

Advanced Security Features:

- **ThinkShield Security:** Multilevel protection for your critical data.
- **Discrete Trusted Platform Module (dTPM):** Encrypts sensitive information to safeguard against unauthorized access.
- **Biometric Login:** Secure login with a fingerprint reader and facial recognition via the optional infrared (IR) camera.
- **Human Presence Detection:** Works with the PrivacyGuard display to ensure your ideas remain private.

Durability and Reliability:

The ThinkPad T14 Gen 6 is built to last, meeting or exceeding MIL-STD-810H standards. It has undergone 12 standards, 26 procedures, and over 200 quality checks to ensure it performs in extreme conditions, including Arctic wilderness, desert dust storms, and more.

Display and Collaboration:

Choose from several display options, including touchscreen capability, high brightness, and wide-angle viewing. The PrivacyGuard option ensures data security in public places. Most display options are Eyesafe® certified to reduce eye strain and fatigue. Enjoy clear visuals and seamless collaboration.

Sustainability:

Lenovo aims to provide smarter technology for a sustainable future. The ThinkPad T14 Gen 6 pursues industry-leading labels and certifications, demonstrating a commitment to sustainability in product design for a smarter future for all.

Lenovo is a global leader in providing innovative technology solutions, offering a wide range of products designed for both personal and professional use.

A PC THAT WORKS FOR & WITH YOU

Amplify Productivity With a Copilot+ PC

Copilot+ integrates advanced AI to improve task management through real-time suggestions, automation of routine processes, and personalized insights. It learns your preferences and seamlessly supports everything from creating documents to drafting communications. Plus, with the touch of a key, Copilot launches to help keep you ahead in fast-paced work environments.

ADVANCED-LEVEL PROTECTION

Security Your Business Can Count On

When you need multilevel protection, ThinkShield security solutions have got you covered. Discrete Trusted Platform Module encrypts critical data. Biometrics provide secure login with a fingerprint reader and facial recognition with the optional infrared (IR) camera. There's even human presence detection that works with the PrivacyGuard display to ensure your big ideas remain yours!

THINKPAD TOUGH

Durability Your Business Can Rely On

We use MIL-STD-810H for a balance of reliability and durability in ThinkPad laptops. Meeting or exceeding 12 standards, 26 procedures, and 200+ quality checks ensure these devices run in extreme conditions, including harsh variables like Arctic wilderness, desert dust storms, extreme temps, pressure, vibration, and more.

PRIVACY. CLARITY. SAFETY.

To Touch, or Not To Touch
