## Aprašymas

The Gembird CCC-PSUGOLD-750W power supply delivers reliable performance for demanding systems. With a power output of 750 W, it features multiple connectors including a 15 pin Serial ATA power connector and an 8 pin PCI Express power connector. The modular cable management ensures neat and efficient cable organization for a clean build. Built with active Power Factor Correction (PFC), this power supply maintains a high efficiency rate of up to 90% at 50% load, minimizing energy waste and heat generation. Safety is a priority with built-in protections including overcurrent, overvoltage, overload, short-circuit, and thermal protection, providing peace of mind during operation.
