45.99€

The Lenovo 5000 headset offers an immersive audio experience with stereo sound output, making it perfect for work or leisure. Featuring AI noise reduction technology, it ensures clear communication by minimizing background noise, while the boom microphone enhances voice clarity during calls. With a comfortable on-ear design and a cable length of 1.9 m, the headset provides flexibility for users who appreciate mobility without compromising sound quality. The USB-C connection facilitates easy setup, and certified compatibility with Microsoft Teams streamlines the communication process in professional environments.
