

CORSAIR iCUE LINK HX1200i SHIFT 1200 Watt Cybenetics Platinum Fully Modular Power Supply C14 Version

Modelis: CP-9020267-EU

Gamintojas: CORSAIR

EAN: 840006602538

Prekės kodas: 559906

287.99€

The CORSAIR HX1200i from the CORSAIR HXi SHIFT Series provides a robust solution for powering PC and server systems with its 1200 watts of power. This internal power supply complies with ATX12V 3.1 and EPS12V specifications, ensuring compatibility and reliability. Its fully modular design offers flexible cable management, which helps in maintaining a clean and organized setup. Equipped with a Zero RPM fan mode, cooling is efficient and quiet during light use, while the 140 mm fan ensures optimal airflow during intensive tasks.

This power supply features advanced protection mechanisms including overvoltage, overcurrent, overheating, and short-circuit protection, making it a safe choice for demanding applications. The
