

GIGABYTE B850I AORUS PRO AM5 2xDDR5 mini-ITX HDMI USB WIFI7 MB

Modelis: B850I AORUS PRO

Gamintojas: GIGABYTE

EAN: 4719331867263

Prekės kodas: 560009

253.99€

The GIGABYTE AORUS B850I PRO motherboard is designed to meet the demands of gamers and enthusiasts looking for performance in a compact mini ITX form factor. It supports AMD's Ryzen 7000/8000/9000 series processors with the Socket AM5, providing advanced capabilities for system building. The board features dual-channel memory architecture supporting DDR5 SDRAM up to 4200 MHz (overclocking), making it a versatile choice for building a fast and efficient computing setup. Integrated features include high definition audio powered by the Realtek ALC4080 codec, a variety of USB ports including USB-C 3.2 Gen 2, and dual 2.5 Gigabit Ethernet for ultra-fast networking. With convenient features like the pre-mounted I/O shield and M.2 EZ Latch, installation becomes easier, while dynamic system monitoring features such as temperature detection and fan speed control enhance overall system reliability and performance.
