Modelis: CA450

Gamintojas: OTTOCAST

EAN: 5907085528892

Prekės kodas: 560351

78.99€

Ottocast wireless car adapter for mirroring

Ottocast Mirror Touch is an innovative car adapter that offers two-way control when mirroring. It transfers your smartphone's screen directly to the car display, and you can operate apps by touch, just as conveniently as on your phone. It's a solution that makes daily commuting or traveling more comfortable and safer.

Two-way control without restrictions

Unlike standard solutions, Ottocast Mirror Touch provides full compatibility with all applications - without locks or restrictions. Use maps, instant messaging or your favorite tools - exactly as you would on a smartphone screen. You also don't have to worry about your privacy - your messages or login data will remain exclusively on your phone. What's more, the low-latency technology of 80 ms

makes using apps on the car screen completely natural. Scrolling, text entry or multimedia controls are all done in real time - without stuttering or lag.

Integrated audio and safe driving

All sounds from your phone are transferred to the car's factory audio system, so you can enjoy music, podcasts or phone calls in top quality. What's more, transferring the controls to the car's big screen noticeably increases comfort and safety while driving.

CarPlay and Android Mirroring in one

The device allows you to use wireless Apple CarPlay and full Android mirroring. The adapter automatically switches between modes, providing simple operation and seamless connectivity every time you start your vehicle.

Compact design, fast charging, wide compatibility

The Ottocast Mirror Touch is a slim device with a durable damage-resistant cable. It supports fast charging with up to 27 watts of power, so your smartphone will always be ready to go, even on long trips.

The adapter works with most car models on the market - from sedans and SUVs (Sport Utility Vehicle) to luxury limousines and campers.

Included

- Ottocast Mirror Touch adapter
- USB-A (Universal Serial Bus type A, a standard connector for data and power transfer) to USB-C (Universal Serial Bus type C, a symmetrical connector for high-speed data and power transfer) adapter
- User manual
