112.99€

FREEWELL ND Filter Set for DJI Mavic 4 Pro Standard Day (4pcs).

The Freewell Standard Day filters are for DJI Mavic 4 Pro drone users who want to get natural, well-balanced shots in varying lighting conditions, including at different focal lengths and apertures. The kit includes split ND filters (ND8/4, ND16/8, ND32/16 and ND64/32) that allow precise control of exposure, especially in situations where the sky is much brighter than the rest of the frame.

Refined design

By combining two levels of filtration in a single glass, you get a smooth transition between the light and dark parts of the image - no burnout or loss of detail in the shadows. The dual focal length provides precise exposure control, making it easy to create exceptional footage. The filters are made
