Aprašymas

AOCHUAN X2 Standard Gimbal (Black)

Meet the AOCHUAN X2 – a modern gimbal with a stylish design that combines a compact build with advanced image stabilization. Equipped with a 3-axis anti-shake system, a built-in 20 cm extension arm, professional zoom and focus controls, and as many as 4 recording modes, it gives you full control over every shot. Lightweight, foldable, and ready for action in any situation—it’s the perfect choice for creators who want to record smoothly and impressively without carrying heavy equipment.

Smoothness that makes a difference – 3-axis stabilization

Advanced 3-axis stabilization effectively eliminates vibrations and shocks, making your recordings exceptionally smooth and professional. Whether you’re recording while walking, running, or capturing dynamic scenes—the final result always looks impressive.

Create on your own terms – 4 smart recording modes

You have 4 operating modes (F, POV, DM, GO) at your disposal, which automatically adjust the gimbal’s behavior to your recording style. Want to capture dynamic action, smooth panoramas, or stable shots? Just select a mode and go—no complicated settings required.

More in the frame – built-in 20 cm extension arm

The integrated extension arm, up to 200 mm long, lets you capture a wider perspective and more background details. Perfect for selfies, vlogs, and group shots. You don’t need any extra accessories—everything is in one device.

Professional image control – zoom and focus at your fingertips

With zoom and focus control, you can create more advanced, cinematic shots. Easily adjust the frame to your needs, highlighting details or building depth – quickly and intuitively.

Lightweight, compact, and always ready to go

The AOCHUAN X2 weighs just 365 g and takes up minimal space when folded (165 × 110 × 53 mm). You can easily fit it in a bag or backpack, making it the perfect companion for travel and everyday recording.

Power that keeps up with you

The dual Li-ion battery (800 mAh ×2) provides up to 8–10 hours of standby time. Charging takes only about 2 hours, so you’ll be back to recording in no time. The gimbal operates in a wide temperature range (-10°C to 55°C), making it suitable for any conditions.

Precision and freedom of movement for creative shots

The range of motion (pan 260°, tilt 75°, roll 310°) and high precision allow for accurate framing and smooth transitions between shots. Support for smartphones with a width of 55–90 mm and a weight capacity of up to 330 g makes the AOCHUAN X2 compatible with most devices on the market.

Included:

- AOCHUAN Smart X2 gimbal
- Tripod
- USB-C charging cable
- Gimbal user manual
