Aprašymas

Filter set for DJI Osmo Pocket 3 Neewer FL-P10 (ND8~1000, LPR ,MIST1/4, CPL, ND8/PL~ND64/PL).

Dedicated to the DJI OSMO Pocket 3, the magnetic filter set offers instant and secure magnetic attachment, allowing you to capture amazing moments. The accessory features multi-coated HD optical glass, providing clear images for gimbal cameras with optimal shutter speeds, minimized flare, vivid colors and stunning effects in varied weather conditions and night scenes.

Recreate vivid colors

Brighten your shots with the Polaroid Filter (CPL), which helps reduce glare, haze and unpleasant reflections from surfaces such as water, glass and other non-metallic objects, improving the colors and clarity of aerial shots.

Balanced exposure

ND8, ND16, ND32, ND64, ND128, ND256 and ND1000 filters allow precise exposure control during dynamic outdoor activities, offering light reduction options of 3, 4, 5, 6, 7, 8 and 10 degrees, respectively. The accessories effectively prevent overexposure and enhance image quality in a variety of lighting conditions. In addition, ND/PL filters prevent overexposure, minimize glare and reflections from non-metallic surfaces such as water and glass.

Dreamy movie atmosphere and stunning night shots

The 1/4 black diffusion filter with dreamlike cinematic effect reduces bright spots and glare, introducing a more hazy and softer look - ideal for portraits, videos and vlogs. The LPR filter reduces the yellow-green tint generated by city lights, maintaining proper contrasts and avoiding overexposure to capture the details of the subject being filmed. As a result, all the shots you capture will be phenomenal!

Durable design

Thanks to the magnetic design, filter replacement is smooth and hassle-free. The glass of which the filters are made is resistant to water, oil and dust. Another advantage is the aluminum frame, which, despite its strength, weighs only 1.62 g and is less than 2 mm thick.

Included:

- ND8 filter
- ND16 filter
- ND32 filter
- ND64 filter
- ND128 filter
- Filter ND256
- ND1000 filter
- Light pollution reduction filter
- 1/4 diffusion filter
- CPL filter
- ND8/PL filter
- ND16/PL filter
- Filter ND32/PL
- ND64/PL Filter
- Cleaning cloth
- Filter cover
