The exterior of the bag is made of durable PVC-coated oxford material for long-lasting durability and easy cleaning. Reinforced corners increase impact resistance, and dual zippers facilitate quick access to the interior. In addition, the bag is equipped with an ID pocket, making it easy to identify among other luggage.

Protection on any surface

The PB5 bag has five non-slip rubber feet that protect it from shocks when placed on the ground. These feet also prevent the bag from coming into direct contact with the ground, keeping it clean.

Convenient carrying

The bag is equipped with an adjustable shoulder strap and a comfortable carrying handle for comfort during transport. Whether you carry it on your shoulder or in your hand, the bag allows you to move comfortably and safely with your equipment.
