Freewell Filter Set for OSMO Action 6 "Standard Day" - 4 pcs.

The Freewell "Standard Day" filter set for DJI Osmo Action 6 is a practical solution for those who want to record smooth, more professional-looking shots in daylight. The set includes four ND filters: ND8, ND16, ND32, and ND64, which help adjust the exposure to current lighting conditions – from slightly cloudy days to very bright environments such as beaches or snow. The filters make it easier to achieve a natural motion blur effect, which is especially important for dynamic shots.

Solid construction and ease of use

Each filter is made of high-quality optical glass that is scratch and splash resistant, making the equipment suitable for use in more challenging outdoor conditions. The filters are lightweight, easy
