## Aprašymas

### Triple monitor mount 17-32" Huanuo HNTS3B-UK

Huanuo's triple monitor mount is designed for those who appreciate a wide and orderly workspace, convenience and security when working on a desktop computer. Thanks to the unique design of the three mounts, you can enjoy the simultaneous use of multiple monitors, which significantly increases the efficiency and comfort of work, and the high-quality materials from which the mount is made provide additional safety for the user and his equipment. Ideal for gamers, graphic designers or illustrators, the mount will find its use in any situation.

### Flexibility to suit your needs

The Huanuo HNTS3B-UK offers incredible flexibility in adjusting the position of monitors. The mount is equipped with a gas spring, which allows you to smoothly adjust the height with a flick of the wrist. Simply press the mount gently to make the monitor stop at the most convenient height for you. This solution is much more practical than traditional monitor stands, where you have to repeatedly loosen and tighten screws.

### Space optimization and cable management

With the Huanuo mount, you will save valuable desk space, which is extremely important in modern, minimalist workspaces and beyond. The mount also offers efficient cable management, preventing tangles and keeping your workstation tidy. All this makes your desk not only functional, but also aesthetically pleasing.

### Ergonomic design for health and comfort

Health and comfort when using the mount is a priority in the design of the Huanuo HNTS3B-UK. The device allows the viewing angle of monitors to be fully adjusted to the user, reducing strain on the neck and spine. The ability to rotate 360°, as well as adjust the tilt (+85°/-90°) and side rotation (+90°/-90°), allows you to perfectly position your screens according to your individual needs.

### Mounting versatility and application versatility

The HNTS3B-UK is compatible with monitors with screen sizes from 17 to 32 inches and weighing up to 7.98 kg each. It supports VESA mounting standards (75 x 75 mm / 100 x 100 mm), making it a versatile solution for various monitor models. In addition, it offers two mounting options: with a C-clamp or a grommet, allowing you to customize the installation to your specific desk. Choose the Huanuo HNTS3B-UK triple monitor mount and enjoy an ergonomic, functional and aesthetically pleasing workspace. It's an investment in comfort, health and efficiency for years to come.
