32-82" TV mount Perlesmith PSTVMC05-US

The Perlesmith PSTVMC05-US mount is dedicated to TVs with diagonal sizes ranging from 32 to 82 inches. Thanks to a wide range of VESA compatibility (from 100 x 100 mm to 600 x 400 mm), the product is compatible with devices of many brands. Practical wheels make it easy to transport. Dedicated space for a camera and other equipment is available.

Stability

The Perlesmith PSTVMC05-US stands out for its exceptional stability, offering the ability to mount TVs weighing up to about 45 kg. Robust construction and durable materials guarantee long-term use without worrying about stability.

Mobility at every step

With four casters, the PSTVMC05-US mount allows you to easily move your TV to any place in the room. The casters rotate 360 degrees for maximum freedom of movement, and the locking mechanism ensures stability once the mount is set in its intended location.

Height adjustment for comfort

The Perlesmith PSTVMC05-US offers 11-position height adjustment, allowing you to customize the position of your TV. The minimum height is 44.09 inches and the maximum height is 59.84 inches, allowing for an optimal viewing angle.

Functional extras

The mount is equipped with a special camera platform, making it ideal for conference rooms and offices. The equipment shelf allows convenient storage of additional devices, such as game consoles, media players or speakers. In addition, the cable management system allows cables to be hidden aesthetically and safely, and prevents tangles and potential damage.

Compact design

The product occupies only 0.48 sq m of space, making it ideal for small rooms where every centimeter counts. Despite its small size, it offers full functionality without sacrificing stability and safety.
