Dreame Z20 Station cordless upright vacuum cleaner

Dreame Z20 Station is a vacuum cleaner that redefines cleaning convenience. Thanks to the automatic emptying station, the device practically doesn't require your attention - just one click to empty the dust bag. The suction power of 26,000 Pa allows you to remove even the finest dirt, and the brush with illumination reveals dust even in dark corners. In turn, the long run time of up to 90 minutes allows you to clean large areas without charging interruptions. With the Dreame Z20 Station, any cleaning becomes fast, efficient and convenient like never before.

Automatic emptying for added convenience

Dreame Z20 Station will do everything for you! Thanks to the emptying station with a 3-liter bag, you can forget about frequent emptying. Just place your vacuum cleaner in it after you're done

cleaning, and the station will not only automatically clean the dust container, but also start charging. In Ultra mode, the station has an additional antibacterial function that eliminates up to 99.9% of bacteria, preventing the spread of germs. Now you can focus on yourself while the Z20 keeps your home clean for up to 100 days without changing a bag.

Unrivaled suction power

With a powerful motor that reaches 140,000 rpm, 250 AW suction power and 26,000 Pa suction force, every cleaning becomes efficient and fast. Thanks to its optimized airflow, the Z20 Station removes even the toughest dirt, guaranteeing maximum efficiency on any surface.

Omni-Brush universal brush with illumination

The Dreame Z20 Station vacuum cleaner features the reliable Omni-Brush with CelesTect™ illumination. The 140° illumination makes dust visible in every nook and cranny, so nothing will escape your attention anymore! This innovative brush combines the functions of a soft roller and a multi-surface brush for effective cleaning on both carpets and hard floors. What's more, its clever design prevents hair tangling, and its adjustable inlets allow you to effectively clean larger debris.

Advanced HEPA filtration

The Dreame Z20 Station is equipped with a multi-layer HEPA H14 filtration system that blocks as much as 99.99% of particles down to 0.3 microns in size. This allows you to enjoy not only clean surfaces, but also air free of dust, bacteria and viruses. Filtration at this level is a guarantee of cleanliness, which is especially good for homes of allergy sufferers and families with young children.

Intelligent adjustment of power according to dirtiness

Don't waste time changing settings - the Z20 Station will set them for you! With intelligent dirt detection, the vacuum automatically adjusts the suction power according to the amount and type of dirt. Built-in infrared sensors analyze the level of dirt, and the LCD display tells you the current cleaning results, giving you full control and optimal efficiency.

With Dreame Z20 Station, you can forget about frequent charging! In Eco mode, the vacuum cleaner runs continuously for up to 90 minutes, allowing you to thoroughly clean up to 170 m² on a single charge. When you need maximum power, the Turbo mode provides intense cleaning for about 6 minutes, ideal for removing stubborn dirt. With this long run time, the Z20 Station will perform well in both small and large spaces, ensuring maximum efficiency with minimal effort.

Versatile accessories - ready for any task

The Dreame Z20 Station also comes with a wide set of practical accessories that enhance its functionality. The small motorized brush is perfect for picking up hair and dust from upholstery, the soft brush for delicate surfaces is ideal for vacuuming furniture and curtains, and the multifunctional brush can easily reach hard-to-reach corners. There is also a flexible adapter that allows you to conveniently clean the space under the couch or bed, and the extension hose extends the reach, allowing you to clean even in remote corners of the house.
