Aprašymas

Hard drives designed for Synology

See how Synology hard drives deliver reliability, consistent performance, and simplified system management through deep hardware-software integration.

Superior dependability

Using 100% conventional magnetic recording (CMR) technology, Plus Series disk drives ensure consistent write performance throughout their lifespans.

Comprehensive testing

Synology Plus Series drives are subjected to thorough compatibility and stress testing to ensure smooth 24/7 operation under multi-user workloads.

Easy firmware updates

Firmware updates can be performed directly through DSM, ensuring drives benefit from the latest patches while eliminating the need for disk removal.

Tuned for performance

Firmware and operating system-level optimizations enable up to 36% faster sequential reads compared to similar-class third-party drives.

Purchase a NAS together with Synology HAT series drives and benefit from the Synology Express Replacement Program, ensuring same-day drive replacement when needed. Contact your Sales Manager for more details.

“The ‘Express Replacement’ service is an initiative by Synology and its authorized distributors, allowing Synology partners to provide customers with a replacement device without long downtime in the event of a failure.

Thanks to local stock with replacement units and spare parts, the partner should receive a replacement device within a maximum of 3 days*.

*The service is free of charge.

*The replacement time is not guaranteed, as it depends on the current availability of replacement units and spare parts. Therefore, in some cases, the replacement time may be extended."

Summary: Synology HAT3320-8T. HDD capacity: 8 TB, HDD speed: 7200 RPM, HDD size: 3.5", Interface: Serial ATA III | Vendor Homepage: <https://www.synology.com/en-eu/products/drives/hdd/plus-hat#features> | 24/7 operation: Yes | Component for: NAS | HDD capacity: 8000 | HDD interface transfer rate: 6 | HDD size: 3.5 | HDD speed: 7200 | Interface: Serial ATA III | Type: HDD | Power consumption (idle): 5.74 | Power consumption (read): 9.07 | Power consumption (write): 9.07 | Operating temperature (T-T): 5 - 60 | Storage temperature (T-T): -40 - 70 | Product Net Weight: 0.68 | Shipping Box Height: 23 | Unit Calculated Volume: 0.001509 | Unit Calculated Weight: 0.83 | Units per Pallet: 0 | Units per Shipping Box: 20 | HDD Family name: Plus Series | Model name: HAT3320-8T
