## Pagrindinės savybės

- ✓ Scanner type: ADF scanner 600 x 600 DPI
- ✓ Colour scanning Duplex scanning
- ✓ A4 Scanning media types supported: Plain paper, Business Card, Post Card(JPN)
- ✓ Maximum scan size: 215.9 x 6096 mm Sensor type: Dual CIS
- ✓ USB port Ethernet LAN
- ✓ Power supply type: AC 15 W

## Aprašymas

Whether scanning to cloud, network or PC, the RICOH SP-2240N Scanner combines affordability and class-leading performance. State-of-the-art image quality leads to top-rated OCR accuracy. This model also boasts image-monitoring paper protection and the ability to handle a wide range of document types. The RICOH SP-2240N delivers compact, efficient and reliable PC-based or PC-free scanning at 40 ppm.

### Scanning

|                                 |                 |
|---------------------------------|-----------------|
| Maximum scan size               | 215.9 x 6096 mm |
| Optical scanning resolution     | 600 x 600 DPI   |
| Duplex scanning                 | Yes             |
| Colour scanning                 | Yes             |
| Output colour depth             | 24 bit          |
| Output greyscale depth          | 8 bit           |
| Output monochrome depth         | 1 bit           |
| ADF scan speed (b/w, A4)        | 40 ppm          |
| Duplex ADF scan speed (b/w, A4) | 80 ipm          |

### Design

|                  |             |
|------------------|-------------|
| Scanner type     | ADF scanner |
| Built-in display | No          |
| Product colour   | Black       |

### Performance

|                   |          |
|-------------------|----------|
| Sensor type       | Dual CIS |
| Light source      | RGB LED  |
| Ultrasonic sensor | Yes      |

### Input capacity

|                                           |           |
|-------------------------------------------|-----------|
| Auto document feeder (ADF) input capacity | 80 sheets |
|-------------------------------------------|-----------|

### Paper handling

|                                 |                                            |
|---------------------------------|--------------------------------------------|
| Maximum ISO A-series paper size | A4                                         |
| Scanning media types supported  | Plain paper, Business Card, Post Card(JPN) |
| Long-paper mode                 | Yes                                        |
| ISO A-series sizes (A0...A9)    | A4, A5, A6                                 |
| ISO B-series sizes (B0...B9)    | B5, B6                                     |
| Letter                          | Yes                                        |
| Legal                           | Yes                                        |
| Card thickness (max)            | 1.4 mm                                     |
| Paper tray media weight         | 27 - 413 g/m <sup>2</sup>                  |
| Maximum scan length             | 6.1 m                                      |

### Ports & interfaces

|             |                       |
|-------------|-----------------------|
| USB port    | Yes                   |
| USB version | 3.2 Gen 1 (3.1 Gen 1) |

### Network

|                                     |                                                                                                                                                                        |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ethernet LAN                        | Yes                                                                                                                                                                    |
| <b>Power</b>                        |                                                                                                                                                                        |
| Power supply type                   | AC                                                                                                                                                                     |
| Power consumption (typical)         | 15 W                                                                                                                                                                   |
| Power consumption (standby)         | 0.1 W                                                                                                                                                                  |
| AC input frequency                  | 50/60 Hz                                                                                                                                                               |
