

GIGABYTE B850 EAGLE WIFI6E AM5 4xDDR5 ATX HDMI DP WIFI USB MB

Modelis: B850 EAGLE WIFI6E

Gamintojas: GIGABYTE

EAN: 4719331866587

Prekės kodas: 567218

190.99€

The GIGABYTE B850 EAGLE WIFI6E motherboard offers performance and versatility, making it a choice for gaming and productivity applications. With support for AMD Ryzen processors and an array of expansion slots, this motherboard ensures compatibility with a wide range of components. Enjoy high definition audio with its 8-channel sound card, enhancing every gaming encounter and media playback.

Equipped with connectivity options like USB 3.2 Gen 2 and Gigabit Ethernet, the B850 EAGLE WIFI6E improves speed and stability in data transfers and online gaming. Its robust power design, alongside features like GIGABYTE Smart Fan 6 and M.2 EZ Latch, optimizes cooling and system reliability. Build a powerful system with this feature-rich motherboard designed to meet performance requirements.
