Stay Connected

Stay connected to colleagues with a 720p HD webcam featuring Acer TNR (temporal noise reduction) technology for better video calling in low-light conditions and reducing flare, as well as dual speakers with fuller, higher-quality sound.

Immersive Display

The 1080p FHD display is perfect for web browsing or watching movies with a sharp, detailed view of what's in front of you. And with Acer BlueLightShield™, give your eyes a break from the negative effects of blue light exposure.
