entertainment.

Key Features:

- 15.6-inch Full HD (1920 x 1080) display for clear viewing.
- Intel® Core™ i5-120U processor for reliable performance.
- 16GB DDR5 RAM for seamless multitasking.
- 256GB SSD for fast storage access.
- Integrated Intel® Graphics for everyday visual needs.
- Windows 11 Pro Education operating system pre-installed.
- Wi-Fi 6 (802.11ax) for high-speed wireless connectivity.
- 720p HD webcam for clear video calls.
- Compact and portable design in a sleek silver finish.

Enhanced User Experience

Stay connected and productive with Windows 11 Pro Education, offering new interface elements and improved organization features like Snap Layouts. The 720p HD webcam with Acer's TNR technology ensures better video call quality, even in low light. Enjoy a more comfortable viewing experience with Acer BlueLightShield™, designed to reduce eye strain from blue light exposure. The laptop also includes essential connectivity options to keep you in touch with colleagues and peripherals.

Acer is a globally recognized brand renowned for its commitment to innovation and quality in the computing industry. With a wide range of laptops, desktops, and monitors, Acer consistently delivers reliable and technologically advanced products designed to meet the diverse needs of consumers and professionals alike.

Maximize your multitasking with the versatile Acer Extensa 15. Powered by the latest 12th Gen Intel® Core™ i7 processors, this 15-inch laptop for small businesses keeps you productive with its comprehensive connectivity options.

Ready to Go Performance

Boost your productivity with up to a 12th Gen Intel® Core™ i7 processor¹, dual-channel 32 GB DDR4 memory¹, 1TB of SSD storage¹, and an NVIDIA® GeForce® MX550¹ GPU with NVIDIA® Optimus™

dynamic power-saving technology.

Positively Productive

Be positively productive at work with Windows 11, featuring new animations, buttons, and toggles. Quickly organize open apps with Snap Layouts and enjoy seamless integration with Outlook and Calendar.

Stay Connected

Stay connected to colleagues with a 720p HD webcam featuring Acer TNR (temporal noise reduction) technology for better video calling in low-light conditions and reducing flare, as well as dual speakers with fuller, higher-quality sound.

Immersive Display

The 1080p FHD display is perfect for web browsing or watching movies with a sharp, detailed view of what's in front of you. And with Acer BlueLightShield™, give your eyes a break from the negative effects of blue light exposure.
