## Dell P2424HT 24-inch Full HD Touch Monitor with 90W USB-C

The Dell P2424HT Touch Monitor is engineered to elevate your workflow, offering intuitive interaction and robust connectivity solutions. Featuring a vibrant 24-inch (23.8") IPS panel, Full HD resolution (1920 x 1080), and an ultra-responsive touchscreen, this monitor puts productivity right at your fingertips. Its highly versatile articulating stand allows for comfortable use whether you are presenting, drawing, or interacting directly with applications.

### Seamless Interaction with Advanced Touch Technology

Experience natural, effortless operation thanks to the high-performance touchscreen. The P2424HT ensures clarity and consistency across the entire screen, making it ideal for collaborative environments and interactive software use, backed by wide viewing angles.

- **Intuitive Touch Screen:** Direct 10-point interaction for enhanced productivity and smooth navigation.
- **Vivid IPS Panel:** Enjoy consistent colors and extremely wide viewing angles (178° H/V) essential for collaboration.
- **FHD Clarity:** Sharp 1920 x 1080 resolution on a 16:9 aspect ratio display.
- **Fast Response:** Quick 5 ms response time ensures smooth visual performance during motion.

## Power, Connectivity, and Integrated Hub

Simplify your workspace and reduce cable clutter with the P2424HT's powerful integrated connectivity hub. The built-in USB-C port delivers up to 90W of Power Delivery, allowing you to charge your laptop while simultaneously transmitting video and data through a single connection.

- **90W USB-C Power Delivery:** Charge compatible laptops using a single cable connection, maintaining a neat desktop.
- **Integrated Networking:** Built-in Ethernet LAN (RJ-45) port provides stable network connection directly through the monitor.
- **Versatile Ports:** Includes 1x HDMI, 1x DisplayPort, and a high-speed USB hub featuring 2x USB 3.2 Gen 1 ports for connecting peripherals.

## Optimized Ergonomics and Viewing Comfort

The highly flexible articulating stand is designed for maximum convenience. It allows the screen to be tilted dramatically (from -5° up to 60°) or raised and swivelled for standard desktop viewing. This flexibility ensures maximum comfort and accessibility in various working scenarios.

- **Articulating Stand:** Easily tilt, swivel, and adjust the monitor height for the perfect angle for touch input or standard viewing.
- **VESA Compatibility:** Standard 100 x 100 mounting interfaces for alternative mounting solutions.
- **Energy Efficiency:** Rated Energy Efficiency Class E.
