Gaming products: Gaming headphones | Short summary:

Dell Pro Premium Wireless ANC Headset (WL7024-DEMEA)

The Dell Pro Premium Wireless ANC Headset is Dell's flagship wireless business headset, designed for demanding hybrid work, video conferencing, and mobile professionals. Advanced Adaptive Active Noise Cancellation (Adaptive ANC), AI-powered dual-directional noise cancellation, and premium over-ear comfort deliver exceptional audio quality and all-day wearing comfort. Certified for Microsoft Teams (Open Office) and Zoom, the headset provides seamless collaboration across today's leading communication platforms.

The headset features seven microphones utilizing AI Noise Reduction and AI Beamforming technologies to accurately separate speech from background noise in both directions. Adaptive ANC automatically adjusts to surrounding noise levels, providing an optimal listening experience in any

working environment, while Transparency Mode lets ambient sounds pass through whenever greater situational awareness is required. The intelligent Smart Sensor automatically detects when the headset is removed, pausing media playback or muting the microphone.

Bluetooth 5.3 supports pairing with up to eight devices while maintaining two simultaneous active connections. With up to 80 hours of listening time, USB-C fast charging, an included wireless charging dock, and extensive customization through Dell Display and Peripheral Manager and the Dell Audio app, the WL7024 is designed to maximize productivity throughout the workday.
