Neomounts LEVEL-750 Heavy Duty Wall Mount

The Neomounts WL30-750BL14 LEVEL is the ultimate solution for securely mounting an interactive or heavy-weight display up to 75" with a maximum capacity of 100 kg. This heavy-duty wall mount features a high-profile wall plate and is engineered for stability and precision, ensuring your screen is securely mounted, even on uneven surfaces. This wall mount is designed to provide the sturdiest and most stable touch screen experience. The brackets of the WL30-750BL14 feature depth-adjustable wall supports on the lower brackets for better weight distribution and maximum stability. The mount features individual adjustable brackets (10 mm) for securely adjusting the display height.

or leveling.

Features:

- Suitable for 42" to 75" screens.
- Maximum weight capacity of 100 kg.
- VESA compatibility: 100x100 to 400x400 mm.
- Profile depth of 4.2 cm.
- Quickly connectable wall plate for multiple screen mounting.
- Kickstand service position for easy access to cables and connectors.
- Safe and practical pull & release system for quick attachment and detachment.
- Lockable brackets for extra screen security (padlock not included).

The LEVEL-750 wall mount has a profile depth of 4.2 cm and is suitable for screens that meet VESA hole patterns from 100x100 to 400x400 mm. Its quickly connectable wall plate allows for multiple screen mounting, while a kickstand service position provides easy access to cables and connectors. Additionally, the wall plate is designed with specific cut-outs for wall sockets and securing devices and cables. It features various perforated holes for easy tie-wrap cable fixing and provides space for cable storage, ensuring a clean and tidy finish.

The WL30-750BL14 includes a safe and practical pull & release system, allowing you to quickly attach and detach the display securely. It is possible to lock the brackets using a padlock (not included) for extra screen security.

For simple and effective storage, an optionally available AV-rack can be installed to the left or right side of the mount.

Neomounts is a company known for providing innovative and reliable mounting solutions for displays, offering products designed for ease of use and optimal performance.
