The Acer Predator Helios Neo 18 AI PHN18-72-75PV is engineered for gamers and creators who demand cutting-edge performance and intelligence. Housed in a sleek Abyssal Black chassis, this gaming powerhouse combines extreme processing capabilities with revolutionary graphics to deliver fluid, immersive experiences, whether you're tackling the latest AAA titles or running complex AI workflows.

Extreme Performance for Demanding Tasks

Equipped with top-tier components, the Helios Neo 18 handles multitasking and intense loads with ease. The combination of high-speed memory and advanced storage ensures minimal load times and seamless operation.

- **Processor Power:** Featuring the Intel Core U7 255HX, this processor delivers phenomenal speeds and efficiency, optimized for modern gaming and demanding AI applications.
- **Revolutionary Graphics:** Experience groundbreaking visual fidelity with the NVIDIA GeForce RTX 5060 featuring 8 GB of ultra-fast GDDR7 memory, enabling ray tracing and AI-enhanced graphics at the highest settings.
- **Superior Memory:** 32 GB of high-bandwidth DDR5 RAM allows you to run multiple applications, streams, and games simultaneously without slowdown.
- **Blazing-Fast Storage:** The 1000 GB Solid-state drive (SSD) ensures near-instant boot-ups and rapid loading of all your massive game libraries and projects.

Immersive WQXGA Visuals

Dive deep into your games on the expansive 18-inch display. The WQXGA (2560 x 1600 pixel) resolution combined with IPS technology provides stunning clarity, vibrant colors, and wide viewing angles, ensuring you catch every detail.

- **Large 18-inch Display:** Maximizes your field of view for total immersion.
- **High Resolution:** WQXGA 2560 x 1600 resolution provides sharp, detailed imagery.
- **IPS Panel Technology:** Guarantees excellent color reproduction and consistency.

Connectivity and Ergonomics

Designed for competitive play, the laptop features a US international standard backlit keyboard, allowing for precise inputs in any lighting condition. Stay connected with ultra-fast 802.11ax Wi-Fi
