- **Integrated Lumbar Support:** Experience superior back health with the internal, continuously adjustable lumbar support system, negating the need for external cushions.
- **Large Surface Area:** The HERO series is built with a wider seat base and taller backrest, making it ideal for larger gamers or those seeking expansive seating comfort.
- **Premium PU Leather Upholstery:** Durable, easy-to-clean, and highly breathable PU leather covers high-density cold foam padding for long-lasting structural integrity and comfort.
- **Iconic DOOM Design:** Features custom red and black accents, the Slayer's Mark, and distinct branding that brings the visceral style of DOOM right into your setup.
- **4D Adjustable Armrests:** Customize your arm position precisely with height, depth, angle, and distance adjustments to maintain optimal posture during intense gameplay.

Built to Last:

The noblechairs HERO utilizes a sturdy steel frame, a certified Class 4 gas lift, and a resilient aluminium base capable of handling heavy loads. The sophisticated rocking mechanism and adjustable backrest (90° to 125°) provide personalized seating angles, transitioning effortlessly between focused work and relaxed reclining.

NOBLECHAIRS is internationally recognized for setting the standard in premium, ergonomic seating solutions, blending German engineering with high-quality materials to deliver luxury and performance to gamers and professionals alike.
