Blackview BV4800 Pro Rugged Smartphone - Built for Adventure

The Blackview BV4800 Pro is engineered for those who demand uncompromising durability and performance in the toughest environments. Combining military-grade ruggedness (MIL-STD-810H) with advanced water and dust resistance (IP68 & IP69K), this smartphone is your reliable companion whether you are on a construction site, hiking remote trails, or exploring the extreme outdoors. Featuring a vibrant 6.56-inch IPS display protected by Corning Gorilla Glass 5, the BV4800 Pro ensures endurance without sacrificing visual quality.

Extreme Durability and Protection

- **Military-Grade Certification:** Upgraded MIL-STD-810H standard guarantees resistance against drops, shocks, vibration, and temperature extremes, making it tougher than ever.
- **Superior Water Resistance:** Advanced IP68 and IP69K ratings ensure protection against dust ingress and continuous immersion in water (up to 1.5m), as well as high-pressure, high-temperature jets.
- **Glove-Friendly Screen:** Maintain full control even in cold weather. The screen sensitivity allows seamless operation while wearing gloves, perfect for winter sports or professional settings.

Unmatched Power and Performance

Powering the BV4800 Pro is the efficient octa-core Unisoc T606 processor (1.6 GHz), built on 12nm technology. This chip balances high performance with minimized energy consumption, maximizing battery life for all-day use.

- **Ample Memory Configuration:** Equipped with 4GB physical RAM, expandable up to 12GB using virtual RAM expansion, ensuring smooth multitasking and rapid switching between demanding applications.
- **Massive Storage Capacity:** Store everything you need with 128GB of internal ROM, further expandable up to 1TB using a TF/MicroSD card.

- **Enduring 5180mAh Battery:** The high-capacity 5180mAh battery delivers extended usage times—up to 30 hours of continuous audio playback or 924 hours of standby time—keeping you connected when it matters most.
- **Reverse Charging Support:** Utilize the 5W reverse charging feature to power up smaller gadgets on the go, turning your BV4800 Pro into a portable power bank.

Capture Every Moment

Capture rich details of your adventures with the versatile camera system, featuring dedicated modes like Portrait, Panorama, HDR, and Beauty mode.

- **Dual Rear Cameras:** A high-resolution 16MP primary camera, complemented by a 2MP depth sensor, provides professional-grade photography options.
- **8MP Front Camera:** Perfect for high-quality selfies and Face ID unlocking.
- **1080P Video Recording:** Record breathtaking views and daily life moments in crisp Full HD resolution.
- **Smart-K BOX Speaker:** Enjoy unparalleled audio quality with powerful, clear sound output.

Enhanced Features and Connectivity

- **Android 14 with DokeOS 4.0:** Experience seamless operations and an optimized user interface with the latest Blackview DokeOS 4.0 based on Android 14.
- **Precise Navigation:** Integrated quad-navigation systems (GPS, GLONASS, Galileo, Beidou) ensure highly accurate global positioning wherever your journey takes you.
- **Customized Shortcut:** Assign up to 7 distinct functions to the customizable side button for quick access to your most-used apps or tools.
- **Triple Card Slots:** Supports Dual SIM connectivity plus a dedicated TF card slot for maximum versatility.

Portrait Mode

Always overwhelmed by cluttered backgrounds when taking photos? Portrait mode helps solve this annoying problem. It keeps the face clear while blurring the background, resulting in a photo that highlights the main subject.

Panorama Mode

The panoramic mode on the BV4800 Pro surpasses the field of view of regular lenses, allowing you to capture a wider perspective and obtain more complete and comprehensive photos.

HDR Mode

Turning on HDR mode can help you capture spectacular landscape photos by balancing the light and dark areas, making them more vibrant.

Beauty Mode

The Beauty Mode on BV4800 Pro effectively blurs blemishes and restores natural skin texture while enhancing overall skin appearance.

1080P Video Recording

Easily record your day-to-day adventures, scenic views, and life's unique moments. The up to 1080P resolution makes sure that every video you share with your family and friends looks strikingly real and immersive.
