Samsung Galaxy Z Fold7: The Ultra Unfolds

The Samsung Galaxy Z Fold7 redefines the smartphone experience, exceeding all expectations. It features a newly expanded 21:9 cover screen and a sleek form factor, making it easier to hold and type, ensuring comfortable usability. The expansive 8" main screen is the largest screen available on Galaxy smartphones, providing an unrivaled viewing experience.

Ultra 200 MP Camera, Now on Fold

Capture stunning, high-resolution photos with the powerful 200 MP camera, perfectly paired with the ProVisual Engine. This camera captures the finest details in every scene, while the next-gen ProVisual Engine enhances colors and details, improving skin tones and textures for exceptional clarity.

Capture Breathtaking Videos in Low Light

Even in low light conditions, the high-resolution sensor works seamlessly with the advanced ProVisual Engine, built into the AP, to deliver richer contrast both day and night. Noise is significantly reduced, ensuring your shots remain sharp without the need for extensive post-editing.

The Most Powerful Processor Customised for Galaxy

Experience unparalleled speed with the most advanced Snapdragon® mobile processor. This next-generation processor enhances CPU, GPU, and NPU performance, optimized for AI. Paired with our pioneering mobile Digital Natural Image engine (mDNle), it guarantees exceptional display quality while maximizing battery efficiency.

Efficient Battery Powers All-Day Use

Enjoy gaming, videos, and multitasking without battery concerns. The 4400 mAh battery, combined with mDNle technology, ensures maximum power efficiency, keeping up with even the busiest days.

Unrivaled Immersive Display

Enhance your daily viewing experience with the powerful Vision Booster, which detects environmental light and adjusts screen color and contrast. With a peak brightness of 2600 nits and advanced tone mapping, enjoy clearer and more comfortable viewing, even outdoors.

Edit with Detail Side-by-Side

The Photo Assist feature allows for detailed photo editing with side-by-side previews. Simply press and hold an object to move, erase, enlarge, adjust angles, or fill backgrounds with ease.

Personalised Briefings with Now Brief

Stay informed with Now Brief, offering tailored insights such as the latest weather and Energy Score, all available at a glance on the immersive main screen.

Simple Summaries, Smart Organisation

Ultra Unfolds

Galaxy Z Fold7 exceeds your expectations of a smartphone. With a newly expanded 21:9 cover screen and even sleeker form, it's easier to hold and type on than ever so you can get things done comfortably. And the 8" main screen is the most expansive screen on Galaxy smartphones.

Ultra 200 MP camera, now on Fold

Get super stunning, high-resolution shots with our powerful 200 MP camera that's perfectly paired with ProVisual Engine. Capture the finer points in every scene and let our next-gen ProVisual Engine do the rest. It will improve colour and details for clarity that enhances skin tones and textures.

Bring details out of the dark

Capture breathtaking videos even in low light. The high-resolution sensor works together with our advanced ProVisual Engine that's built into the AP, to deliver richer contrast day or night. Noise is also reduced so your shots stay sharp in the dark without the need to edit your videos later on.

The most powerful processor customised for Galaxy

Work at the speed you need with the most advanced Snapdragon® mobile processor. This next-gen processor includes CPU, GPU and NPU enhancements for performance and AI. Plus, our pioneering mobile Digital Natural Image engine (mDNIE) ensures display quality without draining your battery.
