Aprašymas

The M Pro Series Enclosure 43" Wall Small Black. A well-designed casing /enclosure. Creating a minimalistic look and possible to mount in both Portrait or Landscape position this casing from Multibrackets® is one of the most versatile to date. Choose between screen sizes and colors. The casing includes after adjustment possibilities and can be used for most brands of signage displays on the market. With a smart thermal management, this solution can fit more brands as well as creating thermal management second to none.

This clean styled black Pro Series Enclosure 43" brings new flexibility to the digital signage enclosure market while maintaining a sleek aesthetic to complement a variety of environments. A depth-adjustable exterior frame allows for a variety of displays to be used. Reversible hinges help avoid installation and service obstructions, and the exclusive design. Depth-adjustable exterior frame. Unparalleled service and maintenance access. Integrated passive cooling vents with active thermal management options. Designed to compensate for uneven walls, keeping front of frame flat. Tamperproof security hardware protects technology investments.

This Universal 43" Casing/ Enclosure was designed to blend in perfectly in most environments. Added its ingenious design makes many smart options available right away or after time, mounting solutions with wire function, floor to ceiling or floor stand and ceiling mounting is available.
