Dyson V12s Detect Slim Submarine 2025 Vacuum Cleaner

The Dyson V12s Detect Slim Submarine 2025 is a revolutionary vacuum cleaner designed for a comprehensive cleaning experience. This innovative device combines Dyson's powerful suction technology with advanced detection and now includes a wet roller head, ensuring your home is not only free from dust and debris but also sparkling clean.

Features:

- **Powerful Suction:** Equipped with Dyson's advanced motor, the V12s Detect Slim Submarine delivers strong and consistent suction to tackle dirt and dust on various surfaces.
- **Detect Technology:** The vacuum cleaner uses laser technology to reveal hidden dust particles on hard floors, ensuring no spot is missed.

- **Slim Design:** Its lightweight and slim design allows for easy maneuverability, making it simple to clean tight spaces and under furniture.
- **Submarine Wet Roller Head:** This new feature allows you to wash hard floors, removing spills, stains, and grime effectively.
- **Advanced Filtration:** The fully-sealed filtration system captures dust, allergens, and microscopic particles, expelling cleaner air into your home.
- **LCD Screen:** The integrated LCD screen displays real-time data, including power mode, maintenance alerts, and a scientific proof of deep cleaning.

Dyson is a global technology company that transforms everyday problems with inventive engineering. Known for their innovative designs and superior performance, Dyson products are engineered to improve lives.
