Motorola Moto G06 Power Smartphone - Unprecedented Endurance and Performance

The Motorola Moto G06 Power redefines smartphone endurance, featuring the largest battery ever in its class—a monumental 7000 mAh capacity. Designed for users who demand power that lasts, this device provides up to 65 hours of continuous use on a single charge. Combined with a robust MediaTek Helio G81 Extreme processor and 4 GB of RAM (expandable up to 12 GB via RAM Boost technology), the Moto G06 Power ensures smooth, efficient multitasking, perfectly paired with the

secure and optimized Android 15 operating system.

Immersive Visuals and Audio

Experience your content on a massive 6.88-inch LCD display, the largest display yet on a Moto G device. The fast 120 Hz refresh rate ensures incredibly fluid scrolling and smooth visuals (1640 x 720 resolution), ideal for gaming and streaming. Enhanced by stereo speakers featuring advanced Dolby Atmos® sound technology, the Moto G06 Power delivers a rich, cinematic experience whether you are watching movies or listening to music.

Professional Photography Features

- Capture stunning clarity with the 50 MP AI-powered camera system, designed to produce brilliant photos in virtually any lighting condition.
- The rear system also includes an 8 MP secondary lens for enhanced versatility.
- Enjoy effortless content creation and optimized shots thanks to advanced artificial intelligence features.

Built to Last and Designed for Convenience

Durability meets premium design with the Moto G06 Power. The device features an IP64 rating for water and dust resistance and is protected by Corning® Gorilla® Glass 3 on the display. The sophisticated Khaki (Laurel Oak) finish and vegan leather back provide a comfortable grip and a premium aesthetic. This model also includes innovative features like Circle to Search, allowing instant lookup of anything displayed on your screen, and offers convenient Dual SIM capability.

Core Specifications:

- Massive 7000 mAh Battery providing up to 65 hours of typical usage.
- Large 6.88-inch LCD display with smooth 120 Hz refresh rate (1640 x 720 resolution).
