232.99€

ANMITE A185W03 18.5" Portable Monitor

The ANMITE A185W03 portable monitor, featuring an 18.5-inch IPS screen, delivers Full HD 1920 × 1080 resolution, a 120 Hz refresh rate, and 100% sRGB color coverage, ensuring that displayed content is smooth, detailed, and accurately reproduces colors. Its slim design, just 1.3 cm thick and weighing 1.2 kg, makes it easy to transport, and its broad compatibility with laptops, smartphones, game consoles, and computers makes it ideal for both work and entertainment.

Smooth Image and Wide Viewing Angles

The 18.5-inch IPS LED-backlit screen offers a resolution of 1920 × 1080, a refresh rate of 120 Hz, and a brightness of 300 cd/m². Thanks to 100% sRGB color space coverage, the image stands out with natural colors, and the wide 178° viewing angles allow you to comfortably view content from

various positions. The narrow bezels further increase the viewing area and enhance the comfort of using the monitor.

One Monitor for Multiple Devices

The ANMITE A185W03 works with laptops, desktop computers, smartphones equipped with a USB-C port, Nintendo Switch, PS4, PS5, and Xbox One consoles, as well as Android TV Box devices. It also supports Huawei EMUI PC and Samsung DeX modes, allowing your smartphone to function as a computer when connected to an external keyboard and mouse. The monitor also enables reverse charging for compatible devices.

Greater convenience for work and entertainment

The monitor can serve as a secondary screen for a laptop, making it easier to work on two displays simultaneously. It's also great for watching movies, live streams, and playing console games. Nintendo Switch users can enter TV mode without using a dock, and the monitor also supports reverse power delivery to the console.

Slim design and a wide range of ports

The ABS plastic housing measures 42.3 × 25 × 1.3 cm and is just 0.6 cm thick at its thinnest point. The monitor is equipped with two USB-C ports, a Mini HDMI connector, and a 3.5 mm audio jack, making it easy to connect multiple devices. The built-in stereo speakers deliver clear, balanced sound, and a Power Delivery adapter with at least 30 W of power is recommended for powering the monitor.

Included in the box

- Monitor x1
- USB-A to USB-C power cable x1
- HDMI to Mini HDMI cable x1
- USB-C to USB-C cable x1
- User manual x1
