Comfortable, Reliable Wireless Freedom

Get the HyperX Cloud Stinger™ 2 Wireless Gaming Headset and enjoy signature Cloud comfort paired with the wireless freedom of a robust, reliable 2.4GHz wireless connection. Enhance your gaming and audio entertainment with the power of DTS Headphone:X Spatial Audio^[1] which delivers precise sound localization and incredibly immersive audio. Just plug the adapter into an available USB port, and you are ready for gaming, remote classes, or chatting online with friends. With signature HyperX comfort and a long-lasting battery (up to 20 hours on a single charge^[2]) this wireless headset is built to keep the good times going throughout the night. When you are ready for a break, the ear cups rotate 90 degrees, so you can rest the headset comfortably around your neck. The closed cup design and 50mm drivers pump out crisp, clear audio to keep you engaged in your intense team fights. It includes several gamer-friendly conveniences, like on-ear cup volume controls to give you direct access to headset volume and a swivel-to-mute mic to quickly silence yourself. It is

PC compatible and comes backed with a 2-year warranty and free tech support. Long Description: Cloud Stinger 2 wireless - Gaming Headset. Weight: 275 g | Vendor Homepage: <https://www8.hp.com>

| Bullet Points:

- Unlock accurate 3D audio spatialization and localization through NGENUITY software! Includes DTS Headphone:X Spatial Audio for enhanced perception, awareness, and immersion.
- With up to 20 hours of battery life^[2], you can power through those power-leveling sessions without needing to charge your headset mid-fight.
- Don't buy a headset that sounds great and hurts to wear! Soft leatherette and comfy memory foam make the lightweight Cloud Stinger 2 Wireless easy to wear whether you're gaming, working, or learning.
- The solid 2.4GHz wireless connection eliminates the cords, but still delivers incredibly immersive audio. Enjoy the freedom of gaming without wires!
- HyperX quality of life features like the swivel-to-mute microphone are built to enhance your gaming experience. Simply flip the mic up and out of the way to know that you are on mute.
- With audio controls right on the headset itself, you won't have to navigate a maze of menus to adjust the volume.
