

Graphics Card SPARKLE Intel Arc Pro B60 Pro 24GB GDDR6

Modelis: SBP60W-24G

Gamintojas: SPARKLE

EAN: 4711342291143

Prekės kodas: 574993

895.99€

SPARKLE Intel Arc Pro B60 Graphics Card

The Sparkle Technology Arc Pro B60 Blower graphics card, powered by Intel, is designed to deliver exceptional performance and reliability for professional applications. Equipped with 24 GB of GDDR6 memory and a 192-bit memory interface, it ensures smooth and efficient handling of large datasets and complex graphics tasks. Its active cooling system, featuring a single fan, keeps the card running at optimal temperatures, even under heavy loads.

Features:

- Powered by Intel Arc Pro B60 GPU.
- 24 GB GDDR6 dedicated memory for demanding applications.
- 192-bit memory interface for high-speed data transfer.

- Maximum resolution of 7680 x 4320 pixels for stunning visual detail.
- PCI Express x8 5.0 interface for fast and efficient connectivity.
- Active cooling with a single fan to maintain optimal performance.
- Supports OpenGL 4.6 for advanced graphics capabilities.

Sparkle is a trusted name in graphics solutions, known for their innovative designs and commitment to quality. Their graphics cards are built to meet the demands of professional users, offering performance and stability.
