## Pagrindinės savybės

- ✓ Line-interactive UPS Topology
- ✓ Energy Saving Technology
- ✓ Simulated Sine Wave Output
- ✓ Automatic Voltage Regulation (AVR)
- ✓ USB Charging Port
- ✓ Surge and Spike Protection
- ✓ Phone/Fax/Modem/DSL/Network Protection
- ✓ LCD Status Display
- ✓ PowerPanel® Management Software
- ✓ Brick Form Factor

## Aprašymas

CyberPower BR1000ELCD-FR offers home and office users a reliable battery backup and safeguards office PCs, network communication equipment, and other electronic devices from surges, spikes, brownouts and other power incidents. Designed with GreenPower UPS™ Technology to improve operating efficiency and to minimize energy consumption, users can enjoy significant energy cost savings over conventional UPS systems.

The UPS provides Automatic Voltage Regulation (AVR) to maintain a safe voltage for connected equipment. The featured data line protection protects phones, networks, and other communication equipment against surge/spikes and other power irregularities. Users can access precise information of critical power/battery conditions with the LCD status monitor.

## Techninė specifikacija

| Output frequency                   | 50/60 Hz                                                        |
| Automatic Voltage Regulation (AVR) | Yes                                                             |
| Surge energy rating                | 125 J                                                           |
| Response time                      | 4 ms                                                            |
| EMI/RFI noise filtering            | Yes                                                             |
| Surge protection                   | Yes                                                             |
| Surge protection features          | Digital Subscriber Line (DSL), Fax, Modem, Network, Telephone   |
| Power protection features          | Overload                                                        |
| Audible alarm(s)                   | Yes                                                             |
| Audible alarm modes                | Alarm when on battery, Fault, Low battery alarm, Overload alarm |
| Ports & interfaces                 |                                                                 |
| AC outlet types                    | Type E                                                          |
| AC outlets quantity                | 8 AC outlet(s)                                                  |
| USB port                           | Yes                                                             |
| USB 2.0 ports quantity             | 1                                                               |
| Modem (RJ-11) ports                | 2                                                               |
| Ethernet LAN (RJ-45) ports         | 2                                                               |
| Battery                            |                                                                 |
| Battery technology                 | Sealed Lead Acid (VRLA)                                         |
| Typical backup time at full load   | 1 min                                                           |
| Typical backup time at half load   | 6 min                                                           |
| Battery recharge time              | 8 h                                                             |
| Cold start                         | Yes                                                             |

**Design**

|                  |         |
|------------------|---------|
| Form factor      | Compact |
| Product colour   | Black   |
| Housing material | Plastic |
| Cable length     | 1.5 m   |
| Display type     | LCD     |
| LED indicators   | Yes     |

**Operational conditions**

|                                   |             |
|-----------------------------------|-------------|
| Operating temperature (T-T)       | 0 - 40 °C   |
| Storage temperature (T-T)         | -20 - 50 °C |
| Operating relative humidity (H-H) | 0 - 90%     |
| Storage relative humidity (H-H)   | 0 - 90%     |
| Operating altitude                | 0 - 3000 m  |
| Non-operating altitude            | 0 - 3000 m  |

**Certificates**

|                         |      |
|-------------------------|------|
| Compliance certificates | RoHS |
| Certification           | CE   |

**Weight & dimensions**

|        |        |
|--------|--------|
| Width  | 166 mm |
| Depth  | 288 mm |
| Height | 118 mm |
| Weight | 6.5 kg |

**Matmenys ir svoris**

|                      |                             |
|----------------------|-----------------------------|
| Matmenys (I × P × A) | 22,00cm × 16,00cm × 33,00cm |
| Svoris               | 6,87kg                      |
