

Vacuum Cleaner KARCHER VCS 3 Nano Dry Stick vacuum Black Bagless Battery 1.198-930.0

Modelis: 1.198-930.0

Gamintojas: KARCHER

EAN: 4066529171559

Prekės kodas: 576486

180.99€

The VCS 3 Nano cordless vacuum cleaner is a compact and powerful assistant for everyday cleaning. Thanks to intelligent dirt detection, the suction power is automatically adjusted to the level of dirt to ensure efficient cleaning and the best possible battery runtime. The Clean Control Display provides information about the current cleaning mode and the level of dirt. Featuring modern BLDC motor technology and optimised sealing of the floor nozzle, it guarantees excellent dust pick-up on all surfaces. The LED lighting on the floor nozzle makes even the finest dirt visible. The 180° swivel joint offers high manoeuvrability and glides smoothly around furniture and into corners. The multi-stage HEPA filter system, which reliably traps 99.9 percent (tested as per EN IEC 62885-4:2020/A1:2023) of the vacuumed particles, ensures clean exhaust air, making the VCS 3 Nano an ideal choice for allergy sufferers. At less than 79 dB, vacuuming can be quiet as a whisper, ideal for households with

children or pets. USB-C charging for added convenience and flexibility; plus, the device can be stored in the wall bracket to save space.

Auto-sense technology

Intelligent dirt detection optimises cleaning performance in auto mode. This mode automatically detects the amount of dirt and adjusts the suction power accordingly in three stages. Battery-power vacuum cleaner VCS 3 Nano Complete: Clean Control Display

Clean Control Display

The display provides constant updates on the cleaning process and the device status – including the cleaning mode, the degree of dirt on the floor (when in auto mode) and the battery status. In auto mode, the display uses a colour code to indicate the degree of dirt: turquoise for none to little, blue for medium and purple for heavy soiling. Battery-power vacuum cleaner VCS 3 Nano Complete: 180° swivel joint and LED lighting

180° swivel joint and LED lighting

The VCS 3 Nano moves effortlessly around any obstacle and lights up even the darkest corners – for thorough cleaning without compromise.

Ultra-lightweight and compact

Weighing only approx. 2.3 kg in total, it takes the strain out of cleaning, especially up stairs or overhead.

In hand-held vacuum cleaner mode, it's lighter still – weighing only approx. 1.4 kg without accessories.

HEPA power for over 99.9% filtration

Breathe freely: with the HEPA filter keeping indoor air clean and healthy.

Traps 99.9% of particles (tested according to EN IEC 62885-4:2020/A1:2023) – ideal for allergy sufferers.

For a hygienic and clean home – free from dust and allergens.

Efficient turbo brush

Cutting-edge floor nozzle technology with electric drive for thorough cleaning performance on every

type of floor.

The perfectly designed seal ensures maximum suction power and efficient dirt removal – even when faced with stubborn dirt.

Picks up pet hair, dust and coarse dirt from carpets, hard floors and upholstery with ease.

High-speed BLDC motor – powerful and durable

Impressive cleaning performance thanks to high speeds and optimum suction power.

Brushless drive for durability and reliability – increasing the service life of your vacuum cleaner.

Relatively quiet operation (max. 79 dB)

Ideal for households with children and pets – no unnecessary disruption from noise.

Three cleaning modes – flexible and efficient

In eco!mode, the device uses half the energy of auto mode and delivers up to 50 min runtime.

Auto mode for automatic adjustment of suction power.

Boost mode for maximum power on stubborn dirt – for sparkling clean results.

USB-C connection and extensive equipment

Compatible with most battery chargers thanks to the USB-C connection.

The right accessory for every cleaning task, be it the crevice nozzle, the soft furniture brush or the upholstery nozzle.

The wall bracket for space-saving storage – ideal for small flats and cramped spaces.
