Achieving the perfect ergonomic setup is simple thanks to the robust adjustable height mechanism. You can precisely set the desk height to suit your stature, ranging from a comfortable seated position (minimum 72 cm) up to an optimal standing height (maximum 118 cm).

Key Specifications:

- **Adjustable Height:** Easily shifts between sitting and standing modes (72 cm min to 118 cm max).
- **Durable Construction:** Features a robust metal frame (black colour) and a strong particle board tabletop.
- **Generous Workspace:** Straight desk type with dimensions of 1200 mm width and 600 mm depth, providing ample room for multi-monitor setups.
- **High Load Capacity:** Sturdy design supports a maximum load weight of 80 kg, ensuring stability for all your equipment. (Note: Do not exceed the maximum load capacity).
- **Ergonomic Accessories:** Includes a built-in headphone hook and a functional backpack holder to keep your workspace clean and organized.
- **Aesthetic Finish:** Stylish black desktop complemented by sophisticated bronze frame accents.

Materials and Use

Constructed with durability in mind, the frame is made of high-quality metal, providing unwavering support. The spacious tabletop is crafted from dense particle board, ideal for daily use in gaming, office, or home settings.

MARK ADLER is a brand renowned for creating high-quality, innovative, and ergonomic furniture solutions tailored specifically for modern digital lifestyles, balancing performance and style. Order today from ++SHOP++ as we offer the best deals and reliable customer service.
