LG 55QNED85B3B 55-inch 4K QNED evo MiniLED Smart TV

Experience breathtaking visual clarity with the LG 55QNED85B3B, a 55-inch Smart TV featuring QNED evo technology and MiniLED backlighting. This television delivers an unparalleled viewing experience with vibrant colors, deep blacks, and exceptional contrast. Enjoy stunning 4K resolution that brings your favorite movies, shows, and games to life with incredible detail and realism. The advanced QNED evo panel combined with MiniLED technology provides precise control over illumination, minimizing blooming and enhancing brightness for a truly immersive picture.

Key Features:

- 55-inch (139 cm) screen size for a commanding viewing experience.
- 4K Ultra HD resolution for sharp and detailed images.
- QNED evo technology for superior color and contrast.
- MiniLED backlighting for enhanced brightness and deep blacks.
- Smart TV capabilities for easy access to streaming services and apps.
- Immersive viewing with exceptional picture quality.

LG is a globally recognized leader in consumer electronics, renowned for its innovation and commitment to producing high-quality, cutting-edge televisions and home entertainment systems. Their dedication to technological advancement ensures a premium viewing experience for every user.
