Aprašymas

The Neomounts NM-M1700BLACK is a mobile floor stand for screens up to 75" and a weight capacity of 50 kg. This mobile stand is a great choice for flexible, space saving placement or when wall, ceiling or desk mounting is not an option. This trolley allows you to use a large display over multiple rooms. Enjoy the optimal viewing positioning for both standing and seated audiences, wherever you like.

The mount is manually adjustable in height from 104,2 to 154,2 cm to create the perfect viewing angle for both seated and standing audiences. The trolley is suitable for screens that meet VESA hole pattern 200x200 to 600x400 mm and includes a practical multimedia shelf and camera shelf (max capacity 4,5 and 5 kg). The cable management ensures neatly routed cables from screen to floor.

The NM-M1700BLACK features four solid castor wheels with brake to easily move it to another location. Installation is easy and can be done quickly.

Techninė specifikacija
