- ✓ Locking Height adjustment Cable management
- ✓ China

Aprašymas

The Neomounts FL50-525BL1 MOVE Go is a mobile floor stand for flat screens up to 86" with a maximum weight capacity of 76 kg. Due to the sturdy design and the included touch screen stabilizers, the MOVE Go is a perfect solution for touch screens. The floor stand is manually adjustable in 4 preset height positions, ranging from 106 to 136 cm.

The Neomounts MOVE Go is packed partially pre-assembled and installation can be done within just minutes. The trolley features practical handles and four solid 7,5 cm double locking caster wheels that allow you to move and use the floor stand wherever you like. Due to the large caster wheels, thresholds or carpets are no challenge to the FL50-525BL1. A multimedia shelf (front and back mountable) with a maximum weight capacity of 10 kg and an AV hardware rack is included and optional for installation. The screen on the trolley can be secured by locking the brackets using a padlock (not included).
