Leading Gen5 technology

Crucial is a pioneer in blazing-fast Gen5 storage, built for maximum performance. The T710 showcases Crucial's innovation and pushes the boundaries of what's possible in gaming, creativity, and beyond.

Give yourself room to grow

Expand and thrive with new games, videos, photos and the programs you need to run them. The T710 expands your potential for gaming and creativity, giving you quick access to huge libraries and immersive experiences.

Available in 1, 2 and 4TB options

DirectStorage optimized for better game support and performance

Bigger wins

Feel the power of Gen5 gameplay from the moment you spawn with up to 14,900/13,800 sequential reads/writes.

Immersive gameplay

Enter a world with realistic reflections, fog and lighting with advanced ray tracing in applicable games.

Point. Click. Done.

Spend more time being creative and less time waiting on your latest renders.

Coming soon - Streamline your system with a premium heatsink

The T710 will soon offer an optional heatsink for maximum heat dissipation without fans or liquid cooling.

Crucial: Bringing Micron technology directly to you

At Crucial, we connect millions of customers to the innovative technology that Micron has been perfecting for over four decades. As Micron's global consumer brand, we're proud to share their groundbreaking advancements in the world of memory and storage with you.

Summary: Crucial T710. SSD capacity: 4 TB, SSD form factor: M.2, Component for: PC | Vendor
