Aprašymas

With Wi-Fi and Bluetooth control features, and support for voice assistants such as Google Assistant and Alexa, you can easily control the lights using the Govee Home app. These curtain lights are the perfect choice if you want to add a touch of magic to any moment, from quiet evenings to dynamic parties.

The Govee H70BC offers an extremely dense lighting thanks to 400 LEDs, which ensures vivid and dynamic lighting effects. The excellent diode density allows more detailed patterns and smooth colour transitions to be displayed. This will transform any interior into an enchanting haven, full of amazing visual effects.

Thanks to RGBIC technology and Govee Home application, you can easily control the lighting, adjusting the colours, brightness and light modes to suit any occasion. With a choice of 16 million colours and a DIY mode, you can create a personalised lighting choreography that perfectly matches your mood or event. Voice control gives you full control without having to raise your hand.

Installation of curtain lights LED Govee H70BC is simple thanks to the included hooks and adhesive tape. You can easily choose the best mounting method depending on your space and preferences.
