- ✓ Accurate and precise, with 4096-level pressure sensitivity and low latency for exceptional writing experiences
- ✓ Fast charging for a quick 15-second full charge providing up to 45 minutes of use
- ✓ Works at angles up to 55° for ultimate flexibility and smooth performance

Aprašymas

Modern, distinctive, sleek

The sleek and chic ASUS Garaged Stylus SA304H has a smooth, rectangular finish that's easy to grip and won't roll off a table. Thin and ultralight, this ergonomic stylus allows anyone, young and old, to write and draw all day with ease.

Push to unleash ideas

The natural feel of a stylus is a quick, precise way to express your thoughts and creativity, allowing you to take notes or sketch out ideas when they strike.

Two-way push-pop

ASUS Garaged Stylus SA304H features a new pop-out design. With a simple push of the pen, you can easily remove it from its garaged position, or store it again when you're done.

Natural writing feel

ASUS Garaged Stylus SA304H is the perfect match for your compatible ASUS touchscreen devices, giving you the ability to write, draw or add markup in any supported app. Built-in Pen Protocol (USI) 2.0 technology offers ultra-low latency and fast response, allowing ASUS Garaged Stylus SA304H to produce the finest lines and broadest brush strokes. A 4096-level pressure sensitivity² enables you to create detailed notes or drawings that accurately capture your thoughts.

Accuracy—at any angle

ASUS Garaged Stylus SA304H works at angles up to 55° while exceeding industry accuracy standards². This results in ultimate flexibility and smooth performance, so you can hold it however you like and keep full control.
