The Alienware Wired Gaming Headset ? AW520H delivers a premium gaming experience with Hi-Res certified 40 mm drivers and support for Dolby Atmos® spatial audio. Soft memory foam ear cushions with breathable fabric and an adjustable headband ensure comfort during long gaming sessions.

The headset is designed for straightforward connectivity: featuring both USB and 3.5 mm connections, it works seamlessly with PCs, consoles, and mobile devices. AlienFX RGB lighting adds a premium aesthetic for gamers who value quality and style.

A compact yet full-size design, integrated volume and mute controls, and a detachable boom microphone enhance usability. The headset is ideal for both competitive gaming and entertainment.
