Freewell Brandon Li Glow Mist 1/8 Filter

The Freewell Brandon Li Glow Mist 1/8 filter is an excellent choice for creators who want to give their shots a subtle, cinematic look. It gently diffuses bright areas of the image, creating a soft glow around light sources and giving your shots a more cinematic look. The effect is subtle and does not reduce image clarity or sharpness, allowing you to maintain the natural look of your shots while enhancing their visual appeal.

Quick Installation and Full Compatibility

The filter features a practical magnetic mounting system with a lock, allowing you to instantly attach the accessory to the lens and ensuring a secure hold during use. The model was designed specifically for the Brandon Li x Freewell VND/CPL Basic Kit and Brandon Li x Freewell VND/CPL Pro Kit, making it the perfect complement to these sets and allowing you to achieve a professional, cinematic effect even more easily in any project.
